

# Strength for the Journey

## “Born Identity”

2 Corinthians 5:17

Notes:

### Strength through Prayer:

Spend a few moments as a group in silent, personal prayer. Thank God for the wonderful gift of being “in Christ.” Ask Him to increase your level of boldness—of unstagging confidence—when coming to Him in prayer.

You may want to begin your prayer with these words:

“Almighty God, thank You for my identity ‘in Christ.’ Thank You for giving me access to and participation in all that He is and all that He offers. Help me to approach You with confident prayer. I am so grateful that I can always find grace and mercy to help me in a time of need.”

When you are finished with this time for silent, personal prayer, you may want to move into a time of group prayer, praying for one another.

### Closing Call to Action:

To be in Christ means to have access to and participation in all that He is and all that He offers us. Given the fact that we understand we are in Christ, let’s make a concentrated effort to pray with confidence. As we see in Hebrews 4:16, we can come into the throne room of God with unstagging confidence, with boldness, because we can find grace and mercy to help us in our time of need.

What might happen if we ratcheted up our prayer lives and became very intentional about beginning our day with a season of confident prayer and then journaling what God did with that prayer in our lives?
