Strength through Prayer:

Spend a few moments as a group in silent, personal prayer. Tell Jesus that you want to welcome His presence into your life and to listen to Him. You may want to begin your prayer with these words:

“Lord Jesus, I do want to tune my heart to Your voice. I want Your voice to be the most influential voice in my heart. I want to hear Your voice so often and know it so well that I would recognize it anywhere. When all the other voices are pounding my soul, I want to hear Your voice, and Your voice alone. Thank You for being my Shepherd, and that I shall never want.”

When you are finished with this time for silent, personal prayer, you may want to move into a time of group prayer, praying for one another.

Closing Call to Action:

Tune your heart to the voice of God. Make His voice the most influential voice in your heart. Let everything else be small talk, and let His voice guide every step you take today.

You will never regret listening to Him.
